

Meeting Minutes-Group 1
2022-2-10

Attendees: Christopher Moschetti, Nick Finelli, Taimur Tawil, Antonio Finelli, Asfand Alavi, Jorge Cruz, Jennie Q. Colabella

Discussion:

- Review of current tasks everyone is working on
- Group resources (where people can go for help if they're stuck)
 - Chris: Session Handling Framework
 - Jennie: Database
 - Antonio/Taimur: Design language for UI
 - Nick: Login and register logic
 - Jorge: Login/security issues
 - Asfand: Framework for invoicing
- Paperwork required by professor (flowcharts, Gantt Chart, meeting recordings, etc.)
- Discussion of program esthetics. What does client's logo look like? Possible color choices for website.
- Possible additions to program (time permitting)
 - Scheduling calendar for employees who do site setup/breakdown
- To Do:
 - Chris will get an inventory list from his manager
