Meeting Minutes-Group 1
2022-4-25

Attendees: Jennie Q. Colabella, Nick Finelli, Antonio Finelli, Jorge Cruz, Asfand Alavi, Tai Tawil

Discussion:

Timeline until final:
- Presentation: Thursday, May 5, 2022, 6:00-7:00pm
- We need the last week of April to put the finishing touches on the presentation.
- Paperwork needs to be submitted before the presentation.
- Video presentation required for the final presentation must be at least 10 minutes. This means each person has a MINIMUM of 2 minutes. We should probably keep them to 4 minutes or under.

Updates
We reviewed the tasks on the Gantt chart. In mid-March I updated the Gantt chart to show the tasks exactly as they appear on Blackboard so the group can see where we are compared to what we're required to submit. Tonight we went through each section one task at a time.

Jorge: Working on cart security and responsiveness and will tie it into the main project. Working with Asfand on credit card encryption, check handling, and payments. Working on authorize.net connection and security.

Asfand: Finishing invoicing security and responsiveness and will tie it into the main project. Working with Jorge on credit card encryption, check handling, and payments. Working on authorize.net connection and security.

Nick: Will finish error handling and implement user permissions. He's going to test the program and try to break it as many ways as he can.Managing Github. Finishing up ADA compliance with Antonio. Will work on responsiveness and with Antonio to get project stitched together.

Antonio: Finishing all forms needed to add/manage employees, vendors, clients, and inventory. Managing Github. Will work with Antonio to get project stitched together. Finishing up ADA compliance with Nick.Working on responsiveness.

Taimur: Finished nav bar. Working on landing page, responsiveness, event order, and calendar. Will add all of our sources to an "about" section.

Jennie: Working on z report, profit and loss report, cleaning up Github and Blackboard, and creating/uploading project documents.
